

PATHWAYS LESSON PLAN 5/6

LESSON 6: Dream, Believe, Succeed

Instructions: Ask students to create a piece of art to reflect their interests, subjects they like, hobbies, achievements and goals they have achieved during year 6. They will have access to 1 pair of scissors, 1 glue stick, art supplies and a blank canvas. Students have 20 minutes to make their canvas come alive!

Once completed, ask students to reflect on their artwork. Pose the questions:

- Will this image of you remain the same in year 7?
- What will be different?
- Would you like to add something else?
- Can you describe how all these elements tell a story about who you are, your hopes, motivations, which direction you wish to head in and what gives you purpose?
